SUMMER HOMES FOR PETS

With summer fast approaching, we are in need of some "vacation" homes for our Laurence Animals. Our friends Lucy, Spike, Spot and the fire-bellied toads are looking for a Laurence family to spend the summer with. If you are interested in having any one of them as a guest, please contact Mrs. Arul or Miss Manalastas.

Hi, my name is Nicholas. I'm in first grade and I am moving to Texas. I would like to talk about all the things Laurence taught me. Mrs. Beskid and Mrs. Libicki taught me how to read so that I can enjoy many books like the Percy Jackson series. In Social Studies, Mrs. Wasserman arranged pen pals from China and gave me Venn diagrams and class graphs which were very fun. During Math, I really liked learning multiplication with Mrs. Prescott and Mrs. Libicki who were patient and kind. In computers, I will miss hyper-studio 5 and storybook weaver because I enjoy typing stories. I always wanted to film things and Mr. Wexler helped me make a Claymation video which was very hard but fun. Also in after-school, Mr. Wiernik's Chorus class was awesome because I love singing Michael Jackson songs. And I loved art at Laurence because Mr. Manise is a great teacher and allowed me to do really fun projects that I have never done before. My favorite project was the Colors of China. And most of all, I will miss all of my friends. I will always remember Laurence for:

Laughter and love

Assemblies

Unbelievable secret garden

Recycling

Excellent songs

Nice playground

Cool teachers

Edible garden

Thank you for making my Kindergarten and First Grade
a great experience.
