

Laurence School Student Supply List 2022-2023

Organization is one of the key ingredients to a successful school year. Our faculty and Administrative Team have collaborated to determine the supplies needed to enhance students' organizational skills to help optimize their success in school. We believe that a uniform set of supplies for our Kindergarten - 6th Grade students will help us to establish a positive foundation and allow our students to have a successful start to the 2022-2023 school year. Please help us to ensure an excellent beginning to the school year by sending your children to school with the following supplies. We appreciate your support.

Please note that we have listed item numbers where teachers have requested a specific brand/product.
