

Laurence School Student Supply List 2018-2019

Organization is one of the key ingredients to a successful school year. Our faculty and Administrative Team have collaborated to determine the supplies needed to enhance students' organizational skills to help optimize their success in school. We believe that a uniform set of supplies for the kindergarten-6th grade students will help us to establish a positive foundation and allow our students to have a successful start to the 2018-2019 school year. Please help us to ensure an excellent beginning to the school year by sending your children to school in August with the following supplies. We appreciate your support.

All of the supplies on the attached list below can be purchased at Office Depot or online at www.officedepot.com. In some cases, we have included the item numbers necessary to place your order.

Kindergarten and First Grade Students

Laurence School will provide all necessary supplies and materials (i.e., pencils, crayons, paper, a homework folder, etc.) for each kindergarten and 1st grade student. Parents do not need to bring any materials/supplies to school in August with the exception of a backpack. **For kindergarten through 2nd grade, the backpack needs to be of a medium-size with no wheels, rollers, or pull-out handles.**

****Use the Laurence School Code at Office Depot to benefit our school: 70016167 or shop on smile.amazon.com and set Laurence School as your organization.**

Second Grade Students

Please limit your supplies to the items on the list below so that your child will have sufficient space to organize his/her materials. No locker decorations for 2nd grade.
